CVMC Medical Office Policies

A Note About Your Insurance Policy

It is your responsibility to know your insurance. You should know your policies contracted providers, need for prior authorization for procedures, specific facility for lab work & x-ray, copayment amount and your yearly deductible.
Please help us help you. There are hundreds of insurance companies and it is impossible for our staff to know the specific requirements of each.

A Note About Prescriptions

Please notice the request to give us 48 to 72 hours to refill prescriptions. Requests for refills are to be called in to your pharmacy even if your prescription has no refills left. The pharmacy will have all of the information needed to make sure you get the proper medication. We will make every effort to meet your needs in a timely manner.

A Note About Authorizations and Referrals

If your doctor has referred you to a Specialist:

- Please allow our office up to 5 working days to obtain authorization from your insurance for routine procedures.
- Please allow the specialists office 3-7 working days to call you to schedule your appointment. If you have not heard from them by this time please contact them directly.
- X-rays and Labs generally do not need an appointment and generally require no authorization from your insurance. However; Ultrasounds, MRI's and any Nuclear Tests will require authorization and we will be contacting you.

A Note About Leaving Messages

If you authorize us to leave detailed messages with a friend or family member or on an answering machine please indicate below.
Please circle ALL that apply:

Is it OK to have message left on answering machine? YES / NO
Is it OK to leave message with spouse or family member? YES / NO

If you would like us to leave messages with a friend or family member please add their name below.
